

Dear Houston Chapter ASA Members,

I'm pleased to announce our newly elected Houston Chapter Board Members for the fiscal year 2021-2022. Ready to serve are:

President: Cameron Tipton, ASA, ARM-MT'S
cameron@flightlevel.co

Vice President: Corey DeWitt, AM
corey@flightlevel.co

Treasurer: Matthew Springer, ASA, ABV
matthew@ccaval.com

Secretary: Barbara Blades Lines, ASA
barbara@bladesappraisals.com

The new board will be installed at an induction ceremony at 11:30 am, on August 5, 2021, at Nino's Restaurant, 2817 W Dallas St Unit #1, Houston, TX 77019. [To RSVP please contact me at ArtAppraisers@comcast.net.](mailto:ArtAppraisers@comcast.net)

We still have several "Director at Large" positions to fill. These are non-elected board members serving supporting roles who typically advance to Board leadership. Whether you are

based in Austin or Houston or surrounding areas you are invited to join. If you are interested in becoming more involved in the Houston Chapter governance, this is a great way to begin.

We are planning to return to regular in-person monthly chapter meetings beginning September 2, 2021. These lunch-hour meetings will feature interesting educational presentations qualifying for ASA CE credit. Due to COVID, during the past year we replaced monthly meetings with webinars, enabling the chapter to continue offering quality programming. The webinars were very successful – reaching members throughout the region and beyond. We are hoping to also provide streaming online access for our next series of in-person monthly chapter presentations. If you are a tech-savvy person, interested in helping out, let us know.

Don't forget to check the website periodically for information regarding monthly presentations, ARM and USPAP courses, annual conferences, and more offered by the Houston Chapter.

Also, if you have news about your business or professional advancement, have recently published articles or speaking engagements, please let us know so that we can share the information on our website. The website is a resource for all chapter members. Let us know how we can make it work for you!

It has been a pleasure to serve as Chapter President, even though we weren't able to meet in person. Hopefully, this upcoming year will afford many opportunities to network, connect with members, and learn about the many resources and possibilities provided by our award-winning Houston Chapter.

Thank you and welcome to our new Board of Directors!

Sincerely,
